Dear Professor Ercolani:

Thank you for your recent e-mail.

This letter is to certify that the US Army has reviewed the distance courses offered by UNITAR POCI and has awarded them ACCP (Army Correspondence Course Program) credits. US personnel who complete UNITAR POCI courses may have these ACCP credits recorded in their US Army personnel records.

Among the courses reviewed are *Global Terrorism* for 54 ACCP credits, and *Principles for the Conduct of Peace Support Operations* for 10 ACCP credits.

With Respect,

A handwritten signature in black ink that reads "Harvey J. Langholtz".
